## MAN IN THE MOON STOOL

**\$1,580**

c. 1900 • Shanxi, China • Northern Elmwood • Collection #ZHA079

W: 15.5" D: 13.5" H: 20.75"

When we look at the seat of this early 20th-century tri-leg stool, we can't help but see the twinkling face of the man in the moon. With a rustic form and weathered surface, the courtyard stool adds effortless texture to any interior, ideal as a side table, spare seat or pedestal. The humble stool is well worn from time, with a softly faded top and a contrasting dark patina along the edges and legs.
