## PAINTED RAILWAY TRAY

**\$228**

Mid-20th Century • Shanxi, China • Pine, Lacquer • Collection #TLD045I

W: 22.0" D: 17.0" H: 2.0"

This lacquered serving tray is crafted with a hand-painted panel salvaged from a vintage Chinese cabinet. Selected for its charming folk art decoration, the found panel is painted with a steam locomotive passing over a river in a scenic mountain landscape. Simple raised sides transform the rectangular panel into a large tray and a loosely-brushed layer of blue-green lacquer adds the finishing touch. A lovely way to bring the past into the present, the tray is ideal as a serving platter, catch-all dish or even as a wall-mounted painting.
